# MICHIGAN LEARNING CONNECTION SUMMIT

## *Better with Breakfast*

---

May 2, 2018  
8:00 AM to 3:30 PM  
Ford Field, Detroit, MI

Join us for the second Michigan Learning Connection Summit to explore how we can use current science linking physical activity, nutrition, breakfast, and learning to partner with schools to enhance children's health and readiness to learn. Hear from Michigan schools that have made that connection and how they were able to overcome challenges to make it happen. Enjoy recess before lunch down on the field with Lions Legend Jason Hanson.

Register for this free event at [MichiganLearningConnectionSummit.eventbrite.com](http://MichiganLearningConnectionSummit.eventbrite.com).
